

SUNNFJORD OUTDOOR 2011

Wednesday 10 August

Guided hike to the Goldmine in Førde,

Join us on a hike to a real goldmine in the mountains surrounding Førde. Hear the story about the Norwegian-American who discovered gold and started a mining operation here. Even if you do not find gold here this evening you will perhaps find other minerals such as malachite, sulphur pyrite ore and beautiful rock crystals in the slag piles outside the mine.
